SPEAKING IN

RIDDLES

You're at a fork in the road in which one direction leads to the City of Lies (where everyone always lies) and the other to the City of Truth (where everyone always tells the truth). There's a person at the fork who lives in one of the cities, but you're not sure which one. What question could you ask the person to find out which road leads to the City of Truth?

Answer: _____

FUTOSHIKI

Fill the grid with numbers 1-5.
 • Each row and column must contain only one instance of each number.
 • The numbers should satisfy the comparison signs - less than or greater than.
