RIDDLES

I have a pitch but no music or song,
I can last for days or be over before long.
I have a keeper but no cage or zoo,
And batsmen who bat, but they never flew.

I swing and spin, but I have no arms,
I'm played worldwide with chants and charms.
With wickets and stumps, and boundaries too,
Leg before wicket might just undo you.

What sport am I that fans adore,
where centuries and sixes make crowds roar?

Answer: Cricket
