Athena is ready for action

FIT: CLASSY FILLY WILL BE HARD TO BEAT IN PINNACLE STAKES OVER 1600M

» Prince Of Fire in Race 2 will enjoy the step up in trip.

Muzi Yeni

hile much of the focus today will be on the Cape Guineas at Kenilworth, we have a great card on the Standside track at Turffontein which includes the running of the Listed Secretariat Stakes over 1400m.

It is a lovely race for threeyear-olds who are just not ready for the Classic races.

Many top horses have won this race and then gone on to bigger and better things so it's a race I quite enjoy and like to follow.

This race is backed up by a Pinnacle Stakes over 1600m where we see two incredible horses take their places - War Of Athena and Malmoos.

This is why I love this time of the year, because every week we seem to see such high-class horses in action.

This Pinnacle Stakes serves as a lovely prep for the upcoming features both in Cape Town and

The Grade 1 Cape Guineas is one of the great races in our country and I cannot wait to see the race. I feel it's quite open, but I really like the prep of Waterberry Lane who has been impressive in his two starts as a three-year-old.

I make him the horse to beat while I think Cosmic Highway and Trip Of Fortune are the main dangers.

Last week saw WSB Grand Heritage meeting go ahead despite numerous rain delays, but we managed to get through the meeting so well done to everyone concerned.

Congratulations to Candice Dawson and the connections of Stone Cold for winning a lovely

I've had a decent week with a couple of winners so I hope I can

BANKER. Prince Of Fire, who runs in Race 2, is Muzi Yeni's best bet on today's Turffontein card. Picture: JC Photographics

keep ticking over.

Today I have nine rides which means I have a mount in every race, and once again I'd like to thank the trainers for their continued support.

Race 1 is a Maiden Plate for fillies and mares over 1160m and I ride Time Silhouette who ran an improved race last time but will have to improve even further to feature, so I'm hoping to run a

Baby Dont Hurt Me returns after a small break and if she reproduces her first start then she will be the filly to beat. Love Bite has good form and will be right there as the danger.

Betting support for any of the unraced runners will be the best guide as to their chances.

Race 2 is a MR 88 Handicap over 1400m and I ride Ivalo's Prince who is ever-consistent and I'm expecting him to finish in the money. But we all have to beat Prince Of Fire who will enjoy the step-up in trip on the evidence of his last start and off a good draw will take all the beating.

He is my best bet on the card and a banker in all bets.

Motown Magic has been gelded

and off a light weight could rate the main danger.

Race 3 is a Maiden Plate over 1160m and I ride Nichathan who is a nice type but will enjoy further and will benefit from the experience.

This is a wide-open race with many well-bred first-timers so my suggestion is to watch the betting closely.

Of the raced horses I think Lemme Go sets the standard after a lovely debut and if this run hasn't come too soon, he will just about win.

Ouick Run is ultra-consistent and could shed her maiden tag anytime now so she must be included while Montmerency is another who should improve drastically on his debut run and could be right there.

Race 4 is a MR 88 Handicap over 1160m. I ride Gallic Chief who is having his first run for the stable but seems well above average and I wouldn't be surprised to see him fight out the finish.

We are still learning about him and the race will help us, but we definitely have a chance.

Sea Virescent is the horse to beat after a good last win in which the form has been franked in no uncertain terms.

Grappler won well last time out and is a definite danger as too is Theory Of Flight who has the benefit of the apprentice claim so should also be competitive.

These horses should get you through all bets.

Race 5 is a MR 83 Handicap over 2400m and I ride White Fang who has blinkers fitted for this run.

I thought he would have been a major player in all the staying features through the season because of the way he won a couple of his earlier starts.

I am hoping the blinkers get him to concentrate and if they do, I believe he will be very competi-

The horse to beat though is Raiseahallelujah on the way he won his last start. He beat two very smart horses and should enjoy the step up in trip.

Black Thorn is a smart staver and is the main danger and must be included in all bets.

These three horses should get you through all bets.

Race 6 is the Pinnacle Stakes over 1600m and I ride the phenomenal War Of Athena who ran a great race in the Summer Cup.

This is her third run after a rest and there is no doubt she feels fitter and stronger now. Off No 1 draw I'll be very disappointed if she doesn't win.

I think she is a banker in all bets.

Of course, Malmoos is the main and obvious danger, and he now has the addition of blinkers which could prove the difference, but I just don't know if he can give a great filly like War Of Athena 3kg and a beating.

Race 7 is the Listed Secretariat Stakes over 1400m and I ride highly impressive Bureau Des Legende who goes for four wins on the trot.

This is her acid test and it's not going to be easy for a filly giving weight to everyone, but I think she is well above average and has to be respected as the horse to beat.

I make Iron Will my main danger and even though he disappointed in his last start, he is far better than that and must be respected.

Litigation and Fisher King are others to include.

Race 8 is a MR 72 Handicap over 1400m and I ride Sequoia who won a good race in his penultimate start before a fair effort against quality three-year-olds last time.

He is drawn No 1 which is a major plus and I think he is better than rated so he must be a massive runner. I feel he is the horse to beat, and I have made him my value bet on the day.

Funky Music is my main danger and always gives of his best so he can be included into all bets while River Jordan and After Hours must be considered for larger bets.

Race 9 is a MR 72 Handicap over 1160m and I ride Procrastinator who was very stiff not to win last time out and another honest and bold run is expected. He could very well be the horse to beat.

Into The Future, Blue Eyes and True Brit all have winning claims and seem to be my main dangers.

This is an open race so my suggestion is to go as wide as the budget allows.

Scottsville moved to Greyville

Following heavy rain over the past few days Gold Circle has been forced to make an early decision to move tomorrow's meeting to Greyville.

Scottsville has had 78mm of rain and the penetrometer reading is 36 and even 41 in some areas.

The meeting at this stage will be on the turf track at Greyville but this is subject to rainfall received.

Race times will remain as carded but Race 4 is now over 1800m. For updated fields go to www.tabonline.co.za

TIPS 4 WAH MAY LUCK 1 DAILY CHARM 12 FIGURES TWO 14 RIGHTEOUS WIN

PREVIEW #4 Wah May Luck has turned a corner these last two starts. He's racing very well and further improvement is expected here. #1 Daily Charm is due another win. The dip back to Class 5 is a plus and the booking of Vincent Ho indicates a strong showing is expected. #12 Figures Two has the ability but isn't quite piecing it all together. Joao Moreira takes the reins after partnering the galloper in a recent trial. #14 Righteous Win slots in light and shouldn't be too far away.

PREVIEW #3 Whizz Kid is closing in on a first win. He draws poorly but if he can cross early then he'll take a power of running down. #6 Steel Win can bounce back to the level of form here that saw him capture

consecutive wins. He should be able to save ground from gate one which will ensure he's strong in the finish. #4 Everyone's Victory is after back-to-back wins. He's racing well. #1 Trader should roll forward from gate two. He'll make his own luck close to the speed.

TIPS 2 CROWN POWER 1 PRETTY SWEET 7 SANTA FLORENTINA

PREVIEW Crown Power hasn't found life easy since going handicapping, but the assessor has relented and James Fanshawe's filly took a step back in the right direction when runner-up over C&D. A place behind her on that occasion was PRÉTTY SWEÉT, who didn't get the rub of the green, but finished well and has hit the crossbar twice since. She can gain just reward for her consistency. Santa Florentina rates best of the rest.

PREVIEW I FOLLOW YOUR HEART 1 to the then went close at Chelmsford before going one better over this track and trip. This comes soon enough and he is burdened with a 6lb penalty, but he should be able to follow up. If he is still recovering from Wednesday's exertions, Flatley might be the chief beneficiary because he returned to form when touched off at Wolverhampton, although Mudlahhim is better than he showed last time.

PREVIEW Laura Pearson appears to get the best out of INEVITABLE OUTCOME and they teamed up to triumph at Wolverhampton last weekend. David Loughnane has decided to try to strike while the iron is hot, and his filly can defy a 4lb rise. Airshow also makes a swift return to action after just going under at Southwell and he heads a list of dangers that also includes I Am A Dreamer and Another Dawn

TIPS 3 HOMERIC 6 SHARP DISTINCTION 9 JULIA AUGUSTA

PREVIEW HOMERIC displayed plenty of promise when finishing third on his debut at Wolverhampton earlier in the month and he could be hard to beat today with the benefit of that experience. Grey Belle merits respect but could be vulnerable under a 7lb penalty, while Sharp Distinction is another with valid form claims. Julía Augusta is arguably the most eye-catching néwcomer, although Secret Service and Moonlight Frolic are others worthy of a market inspection.

TIPS 14 CHARMING PARADISE 5 ROBY MILL 8 LAURENTIA

PREVIEW In a moderate event the marginal preference is for CHARMING PARADISE, who put in a career best when finishing second off 1lb lower over course and distance at the beginning of the month. Roby Mill is an obvious danger having also hit the crossbar at Chelmsford last time, while Laurentia and Trepidation are others who merit places on the shortlist.
