Dame set to catch fire

MATURING: DAME OF FLAMES HAS ONLY RACED FIVE TIMES AND SHOULD IMPROVE

» Form of maiden win has been franked.

Jack Milner

hen encumbered to find a best bet every race card, a tipster is usually confronted with two scenarios.

The first is when the good thing stands out for even those with impaired vision to see, such as War Of Athena contesting a Pinnacle Stakes against her own sex.

The far more regular state of affairs is when one has to deal with a complicated card loaded with moderate handicaps. In cases like that, one has to delve more deeply into the form of the runners and analyse each performance prudently.

Getting it right usually means the horse will go off a at a good price and produce a lucrative profit.

That is the case at the Vaal tomorrow where nothing obvious stands out.

But in Race 8, a Classified Stakes over 1800m, trainer Ashley Fortune sends out Dame Of Flames.

This will be the first time this three-year-old daughter of Futura will be taking on the males, but she is in a group of the best handicapped runners.

She has only raced five times, placing in her first four starts before running out a facile fourlength winner over Watch Me Closely.

While not victorious next time, the runner-up did triumph a race later, while sixth-placed finisher Three Hills, beaten 7.80 lengths, not only won her next start but was then touched off a short head in a FM 73 Handicap by Crusade To Royalty over 1800m a race lat-

The form has been franked, and now that Dame Of Flames has paid a visit to the winner's enclosure, more can be expected.

She is lightly raced and cer-

tainly has plenty room for improvement, which is more that can be said for most of her rivals.

first time when she won, and he is back on board for this race. He also has the benefit of jumping from No 1 draw.

Ryan Munger rode her for the Purton, Hewitson back at work this week

Luke Middlebrook

Lyle Hewitson and Zac Purton have been passed fit to resume race riding in Hong Kong this week.

While Hewitson will only be making his comeback on Sunday, Purton will be in action at Happy Valley today.

Both jockeys have been sidelined through injuries incurred from the horror fall in the Grade 1 Hong Kong Sprint at Sha Tin last month.

Since Purton's forced layoff from race riding, rival Joao Moreira has surged to the lead in the jockeys' title, leading Purton 58 to 49 heading into today's nine-race

Prior to the fall, Purton was in red-hot form (he had won the first three races on Hong Kong International Race day) and was looking likely to take catching for the premiership. He returns to the races with a strong book of rides and can eat into Moreira's lead.

Of those, is impressive debut winner LIGHTNING STORM, who can score two wins on end when he returns to Happy Valley in the Class 4 1000m Handicap in Race 3.

LIGHTNING STORM had tri-

alled well on numerous occasions prior to his first race start at the end of October, so expectations were high and the market agreed, sending him out a well-backed 1-1 favourite after hovering around the 2-1 quote.

The four-year-old didn't disappoint and despite only winning by a head, the win had good merit to

From barrier No 1, LIGHTNING STORM began fairly and had to be bustled up to find the lead, which he did from the 800m. It was a high-pressure race and to make all under the circumstances, it was a solid win.

Purton also has a top chance of claiming the other 1000m race on the card when he partners Douglas Whyte-trained HARMONY FIRE later on the card in Race 8.

HARMONY FIRE has contested harder Class 2 events in his last two starts where he also raced with some excuses, but dropping back into Class 3 this week will only enhance his chances on prior form.

Purton takes the ride from barrier No 2 and will have plenty of options from there in a race that has plenty of speed, even for a 1000m race. HARMONY FIRE looks hard to beat.

De Kock to pounce on the poly

Jack Milner

Trainer Mike de Kock makes a rare midweek raid on Hollywoodbets Greyville today and looks set to pick up at least a couple of winners.

......

Racing is on the Polytrack but that could be the main reason for making the trip as there is a Polytrack on which to work horses at Randjesfontein so he will have some idea of how they will perform on the surface.

Five De Kock horses were carded to run but that has been reduced to four after the scratching of Crown Plaza from Race 2.

Best of the rest look to be Maria's World in Race 3 and Sequoia in Race 4.

While the only Hollywood she will be going to is Hollywoodbets Greyville (or perhaps Hollywoodbets Scottsville, at some stage) where the opposition is decidedly weak, Maria's World looks primed for a big run as she tries the poly for the first time in Race 3, a 1600m Maiden Plate.

Despite trying various distances and tactics she is yet to win, although she has performed consistently well. From gate No 1 the three-year-old daughter of Ideal World should be ready to give her field the slip.

She also has the benefit of having a very in-form S'manga Khumalo in the irons.

Perhaps the best of them all could be Sequoia in Race 4, a MR 67 Handicap over 1600m. Sequoia is very well related - he is a halfbrother to Gauteng Guineas winner Janoobi by Querari - so should relish the distance.

He comes off a one-length fourth behind Admiral Dooley at Turffontein last time in a much stronger field. Muzi Yeni rode him on that occasion and is back in the irons for this race.

Sequoia has a good cruising speed, an attribute that should prove beneficial when racing on the Polytrack.

PREVIEW TULLETAR lost interest after a bad start last time and the blinkers could help. SING GIRL SING was one-paced late last time and the extra should suit. UBIQUITAS is improving with racing and shouldn't be far off. Look for a big run from WIKKEL. SPIKKEL - her form appears stronger. PUTTING GREEN needed her last outing. FORECAST BETTING ■ 5-2 BENGUELA COVE, GODDESS OF LIGHT; 5-1 FLORENTINE; 7-1 SPIR-ITOFTHEGROOVE; 12-1 AND UPWARDS OTHERS.

PREVIEW ■ BENGUELA COVE beat nothing of note when winning on the second time of asking but appeared to have jumped in at the 200m mark. She seems above average and could pass the test. GODDESS OF LIGHT was unlucky not to have won on debut but won both subsequently. SPIRITOFTHEGROOVE met a lot stronger in her prime and could find it. Stablemate DUBAWI PRINCESS is also a lot better than her recent form. FLORENTINE did well after a long break and could get into the action.

FORECAST BETTING 4-1 ELUSIVE SWANN, INDUS KNIGHT; 5-1 WILLOW LANE; 7-1 EVENING RISE, SYBARIS; 10-1 IN THE GAME; 12-1 AND UPWARDS OTHERS.

PREVIEW Competitive. EVENING RISE showed improvement in her last outing and could resume winning ways. There shouldn't be much to choose between ELUSIVE SWANN (holding form) and WILLOW LANE (problems last time) and luck in running could be the decider. The latter's stablemate INDUS KNIGHT is maturing and must be in with a winning chance. SYBARIS did well after a long time off and could get into the fight for honours.

TIPS 4 LIGHTNING STORM 8 EXCELLENT PEERS 1 JAZZ STEED 6 SCOTCH TYCOON

PREVIEW III Lightning Storm impressive debut winner who is hard to beat here as he makes his return to the track. Trainer Danny Shurn has found an ideal race for him where he looks very hard to oppose. Excellent Peers ran the second fastest sectional time last start for a much better fifth place than it reads (read Track Spy for more information). Jazz Steed drops down in grade and start following. Scotch Tycoon second start and will be fitter and can improve from the low draw. Ka Ying Spirit has shown ability and gets his chance.

TIPS 6 CIRCUIT BOOMING 7 HAPPILY FRIENDS 2 FALCON TURBO 10 TOUCH FAITH

PREVIEW Circuit Booming having second start and can improve with experience. Debut run was solid, on pace in true run race and only fading late into fourth. Happily Friends consistent performer of late and worth considering, barrier 1, again, gives him every chance. Falcon Turbo always finishes close up and must be rated a chance at this level, especially with Purton in the saddle. Touch Faith an easy last start winner who rises in class. Prance Dragon racing consistently of late and expect another big run, just needs luck from barrier 10.

TIPS 3 DR WINNING 7 WINNING VOLATILITY 6 GLORIOUS LOVER 11 OFF THE REEL
PREVIEW Dr Winning too bad to be true when \$3.6 at this track and distance last week. Backs up quickly and can be given another chance as he should map the winner from barrier 1. Winning Volatility is back in good form and must be considered a chance on his last start second placing. Glorious Lover looks overdue for a win and enters this race in good form. Off The Reel had genuine excuses last start and consider again (read Track Spy for more information). Ever Laugh faded late last start, chance to improve under right race

TIPS 9 JAZZ ANGEL 1 ELON 5 PARTY WARRIOR 10 EVER FORCE

PREVIEW Jazz Angel blinkers have been added and must be a big chance as he has shown ability in his three local starts but has been slow out. Moreira rides from barrier 3. Elon racing in great form and expect another good run from barrier 1. Party Warrior showed he was up to this class last start and can go close with a good ride from barrier 10. Ever Force faded late last start, chance to improve under right race shape. Faulds has trialled well for debut and should be rated a chance, but the betting market will be the best guide.

TIPS 2 SAVVY DELIGHT 3 SMART IDEA 9 SO AWESOME 6 SPICY GRILL

PREVIEW Savny Delight last run suggested a win was very near when a narrow runner-up and he looks ready to get on the board at his third career start. Smart Idea racing consistently of late and expect another big run, while coming into a low draw is a big advantage. So Awesome good performance when storming home for a nice second last start. Spicy Grill last start winner who retains good form and can run well again. Singapore Spirit had excuses last start when racing wide without cover as a race favourite, consider again as there's some ability there

TIPS	1 HARMONY FIRE 7 SPEC	CIAL M 8 STOLTZ	3 JOYF	UL WIN			

PREVIEW Harmony Fire has a great record in this class and looks a good chance to bounce back with Purton taking the ride from a good draw. Special M backing up quickly from last week, can run well having drawn well low in barrier 3. Stoltz debut run was good and has trained on well since, has to be considered. Joy ful Win winner of last two starts and looks a top chance with luck in running from barrier 12. Sergeant Pepper will find this easier than last start and can run well, but Moreira takes the ride and he will likely be overbet.

PREVIEW Maldives brings some solid Sha Tin form to a race like this and will relish coming into a low draw after navigating stall 14 last start. Gallant Crown track and distance specialist and appears suited here and with Moreira in the saddle, he's a big chance. Cheerful Days video replay showed last run was very good and Purton in the saddle only enhances his chances. Smoothies had genuine excuses last start and consider again. He ran two good races in a row off bad draws and now drawn well could make a winning poly debut. KHULUMA NATHI has also run two good ones in a row and last time looked to have only just got the timing wrong. The distance looks ideal and he should have every chance. Highveld raider FIRE LORD also improved after gelding and has drawn ideally. A well-bred sort he could keep improving and needs to be taken seriously. More with serging notential.

TRITON, however, has finished ahead of him both times they met and has the better draw. He has been knocking hard but the poly may not be the best surface for him. PREVIEW Highveld raider MARIA'S WORLD looks to be well placed on her poly debut. She is limited but is in good form and has the best draw. GREEN SLEEVES showed potential in her second start and runs like honger trip is what she will be needing. A wide draw gives her a bit of a task against more experienced MARIA'S WORLD. GOLDEN DELIGHT has been building up stamina over further and has drawn well so could upset the fancied runners. LILY OF ORANGE looked dangerous earlier but has lost form recently. DANCED, BRANDENBURG; 12-1 AND UPWARDS OTHERS.

PREVIEW 15-20-10: SEQUIDA is a three-year-old Highveld cott in useful form. His running style suggests the polytrack could suit but he is going a bit further today. Serious runner. THE APPEAL went the wrong track and trip last time and that run is best ignored. He was a good second here previously and has drawn well so can get it right. BRANDENBURG needed his last run and could take advantage if allowed to dictate matters upfront. TWICE THE FLIGHT is capable of winning a race like especially for a bang-in-form trainer and jockey combo. AND WE DANCED has drawn well and can earn.

RUNNING RIFLES has yet to run a bad race locally and has gone from strength to strength so could be ready for the poly. He has drawn well alongside ROY'S COMMAND who has an even better gate and who should also benefit from the strong handling of one time national champion rides "manga Khumalo. PREVIEW Tough race if looking past FISTS OF FIRE and GALABIER. The five-year-old has been knocking hard and could be rewarded, despite going much further. GALABIER is one from one over the course and distance and having drawn well could be hard to catch back on the poly. QUERARI'S COWBOY has lacked a finish of late but will be super fit and could be dangerous this time round. ARROW'S MARK is more than capable of beating a field like this, but is off form. Ignore SIKHULU's last run as he didn't enjoy the 1400m. He has run well on the poly before and can go close.
